One  
Ruling ageless over us, sovereign power and  
love

**1            5/7   6**

Creatures circle round the throne

**1            5/7   6**

Tireless in their song

**1            5/7   6**

Never ceasing, 'Holy God

**1            5/7   6 (4)**

Who was and is to come

## CHORUS

Holy,    is the Lord

**2 (1)   6       4**

Holy,    Lord of all

## VERSE

Thunder rolling round and round, lightning  
bursting bright  
Heavy glory pressing down through the day  
and night  
Elders yield their golden crowns, offered at  
your feet  
All creation come respond - give Him  
everything

## BRIDGE

**4**

Lift your voice, come adore Him,

**2**

Every heart, bow before Him,

**1(6)                    5**

Worthy, worthy, worthy

**4**

Let it echo through the nations

**2**

The cry of generations

**1                    5**

Worthy, worthy, worthy
